

Food Donation in Guinea

On April 5th 2008, a donation was made by the management of ICB Guinea when they visited the Association of SOS Children's Village located in the suburbs of Conakry, Guinea.

The Association of SOS Children's Village in Guinea was founded on 21st January 1999 with its objective of being a non-profit making, non-political and non-religious organization. The main focus of this association is to provide homes for orphans and abandoned children. It also undertakes social programs and maternal care for underprivileged children through the development of educational and training programs aimed at the social development of these children.

Donation comprised of 100 bags of rice, 100 litres of vegetable oil and USD100 in cash. This donation is a small gesture to express ICB Banking Group's support towards the Association's daily struggle in helping the underprivileged children of Guinea.
